

## Uploading Artwork to our FTP Server

Uploading Artwork via our FTP Server **requires software**. There are many different programs that can be downloaded for **free** that will upload files to a secure ftp server. To find software go to **www.download.com** and perform a search for "ftp software" or go to:

**[http://www.ipswitch.com/products/ws\\_ftp/home/index.asp](http://www.ipswitch.com/products/ws_ftp/home/index.asp)**

And download a free trial of ws\_ftp, the software we use for uploading and downloading files.

You will need to enter this information before connecting. For additional information consult the help files included with your software.
